(2) Within 90 days following the effective date of this Charter, there shall be held a meeting of the landowners of the District for the purpose of electing five supervisors for the District. Notice of the landowners' meeting shall be published once a week for two consecutive weeks in a newspaper which is in general circulation in the area of the District, the last day of such publication to be not fewer than fourteen (14) days or more than twenty eight (28) days before the date of the election. The landowners, when assembled at such meeting, shall organize by electing a chairman who shall conduct the meeting. A landowner may vote in person or proxy in writing. A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one (1) vote with respect thereto. The two candidates receiving the highest number of votes shall be elected for a period of four (4) years, and the three (3) candidates receiving the next largest number of votes shall be elected for a period of two (2) years. Each member shall be elected by the qualified electors of the District for a term of four (4) years, except that, at the first such election, three (3) members shall be elected for a period of four (4) years and two (2) members shall be elected for a period of two (2) years. All elected Board members must be qualified electors of the District.

(4) Members of the District Board shall be known as supervisors and, upon entering into office, shall take and subscribe to the oath of office as prescribed by §876.05, F.S. If, during the term of office, a vacancy occurs, the remaining members of the District Board shall fill the vacancy by an appointment for the remainder of the unexpired term.

(5) A majority of the members of the District Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other

purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number.

(6) As soon as practicable after each election or appointment, the District Board shall organize by electing one of its members as chairman and by electing a secretary, who need not be a member of the District Board, and such other officers as the District Board may deem necessary.

(9) All meetings of the District Board shall be open to the public and governed by the provisions of Chapter 286, F.S.

B. Duties

(1) The Board shall employ, and fix the compensation of, a District Manager. The District Manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of this Charter, Chapter 190, F.S., or other applicable law, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the District Board. It shall not be a conflict of interest under Chapter 112, F.S., for a District Board member or the District Manager or another employee of the District to be a stockholder, officer, or employee of a landowner within the District. The District Manager may hire or otherwise employ and terminate the employment of such other persons, including, without limitation, professional, supervisory, and clerical employees, as may be necessary and authorized by the District Board. The compensation and other conditions of employment of the officers and employees of the District shall be as provided by the District Board.

(2) The District Board shall designate a person who is a resident of the state as treasurer of the District, who shall have charge of the funds of the District. Such funds shall be disbursed only upon the order, or pursuant to the resolution, of the District Board by warrant or check countersigned by the treasurer and by such

other person as may be authorized by the District Board. The District Board may give the treasurer such other or additional powers and duties as the District Board may deem appropriate and may fix his compensation. The District Board may require the treasurer to give a bond in such amount, on such terms, and with such sureties as may be deemed satisfactory to the District Board to secure the performance by the treasurer of his powers and duties. The financial records of the District Board shall be audited by an independent certified public accountant at least once a year.

V. COMPLIANCE WITH DEVELOPMENT ORDER; FLORIDA QUALITY DEVELOPMENT

The land within the District includes part of a Florida Quality Development generally known as "Hunters Green." Pursuant to the Development Order for Hunter's Green, the District shall perform the duties and obligations relative to the "Protected Areas" that otherwise would be performed by a master homeowners' association. (As used herein, the "Protected Areas" consist of "Preservation Areas," "Conservation Areas," and "Recreational Areas," all as defined in the Declaration of Covenants, Conditions and Restrictions of Arbor Greene, to be recorded in the Public Records of Hillsborough County, Florida (the "Covenants"). Without limiting the generality of the foregoing;

- A. Title to all "Protected Areas" lying within the District shall be conveyed and owned by the District in perpetuity subject to and in accordance with the Covenants.
- B. The District Board shall establish, and levy annual assessments to finance the cost thereof, a monitoring program to determine the effect of land development upon the

wildlife and the sensitive lands lying within the boundaries of the District, and shall employ a biologist who shall be paid by the District to operate the program.

C. The District Board shall, under the tutelage of the biologist mentioned in the preceding subsection, establish, in conjunction with schools, churches, day-care centers and other youth-oriented groups, an after-school program for the preservation of the natural resources within the District and of the State of Florida.

D. The District Board shall, in consultation with a biologist, establish rules as necessary to ensure the protection of the plants, animals and natural ecosystems in the Protected Areas, including enforcement of the Covenants for the Protected Areas.

E. The District Board shall consult with the biologist to determine the condition of the Protected Areas and shall receive from the biologist and any land owner in the District any allegation or complaint of any person violating the rules of the District Board. Upon receipt of such allegation or complaint, the District Board shall, by written notice to the accused person, set a time and place for a hearing upon the allegation or complaint. At the hearing, the accused person and any other may present testimony in an informal manner in accordance with procedural rules adopted by the District Board. The District Board shall determine whether such person has violated such rules and the extent of damage and cost incurred by the District (including the cost of infraction proceeding) as a result of the infraction. Such cost or damage shall be assessed against the responsible party; if a landowner within the District the damage and cost shall constitute a lien pursuant to Chapter 170, F.S.; and if a nonresident of the Development, the cost and

damage shall be assessed against the person inviting the accused person to the land within the District.

F. The District Board shall enforce the restrictive covenant prohibiting pets from entering onto the Preservation Areas.

G. The provisions of this Charter relative to the District's responsibilities for compliance with the development order shall not be amended unless such amendment is reviewed and approved for consistency with the terms of the development order issued by the Florida Department of Community Affairs (DCA). Any proposed modification, amendment or deletion to such covenants, conditions and restrictions contained in this charter relative to the development order shall be grounds for action by the DCA against the District which may include, without limitation, an action to recover sums due for damages, injunctive relief or any combination thereof, including costs and attorneys' fees incurred in bringing such actions, and if necessary, costs and attorneys' fees for appellate review.

VI. OPERATION OF THE DISTRICT

The operations, requirements for disclosure, duration and dissolution, and all other affairs and practices of the District shall be governed by and in accordance with Chapter 190, F.S. and other applicable law.

VII. FUTURE AMENDMENTS TO LAW

In the event of any future amendments to Chapter 190, F.S. or to any other law applicable to the District, such amendments shall be applicable to the District if it is otherwise the intent of such amendment that it apply to community development districts in existence at the time of

enactment or upon the effective date of such future amendments. In the event such future amendments provide that their applicability shall be discretionary or subject to specified conditions, this Charter shall not affect the exercise of such discretion or the conditions upon which such future amendments would become applicable to the District.
